

**Group discussion and opinion sharing about citizen's duties conducted at  
ICAR-DFR, Pune**

As part of awareness campaign focused on citizen's duties and rights, ICAR-DFR, Pune has organized a group discussion and opinion sharing about citizen's duties on 20<sup>th</sup> January 2020. All the staff of ICAR-DFR and IVRI regional station, Pune actively took part in the group discussion. The participants recited the eleven fundamental duties noted in the Indian constitution and expressed their opinion about them. The participants collectively agreed that individual sense of commitment to follow the fundamental duties and personal discipline in day to day activities will help in betterment of our environment and achieving the national goals. Views were also expressed about the eleventh fundamental duty of a citizen i.e. the responsibility of a parent in providing the opportunities for education and allied activities to children. The group discussion was concluded with the collective opinion that awareness program about citizen's duties must be carried in a way that every citizen should makes it as a personal commitment to follow the fundamental duties rather than merely knowing them.
