

SWACHHTA PAKHWADA AT ICAR-DFR, PUNE

The ICAR-Directorate of Floricultural Research is implementing Swachhta Pakhwada from 16-31 October, 2016. On the 24th October 2016, all the Scientific, Administrative, SRF's and Young Professional-I of the Directorate have conducted following cleanliness programme.

Cleaning activities around the Canteen located at College of Agriculture, MPKV, Pune was undertaken. The programme was started with brief introduction to canteen personal regarding Swachhta Pakhwada initiated by Government of India followed by sensitization drive regarding health and hygienic issues in canteen and cleanliness in surroundings areas and lesser use of plastics were undertaken. All the plastic cups and bags lying around Canteen were collected and disposed off. The unwanted weeds were also removed.
