

SWACHHTA PAKHWADA

ICAR-DIRECTORATE OF FLORICULTURAL RESEARCH, PUNE

The ICAR-Directorate of Floricultural Research is successfully implementing “Swachhta Pakhwada” from 16-31 October, 2016. Datewise schedule has been prepared and all the staff of Directorate are actively participating in the cleanliness drive.

On the 31st October, 2016, all the Scientific, Administrative, SRF's and Young Professional-I of the Directorate participated in the cleanliness on the side of the surrounding of Office building, glass house and side structures. Initially the stones, boulders and non-biodegradable items were removed and placed in proper place. Non-biodegradable materials were collected in a bin for proper disposal. The area was then surface cleaned and all the weeds, dries leaves, twigs etc were disposed in the pit. The pots were properly arranged to give the surrounding an ornamental look and the plants were watered.

The cleanliness drive was concluded with the vote of thanks to all the staff.
